Athletic Achievement Awards

Muskoka Woods is fully committed to developing youth. We have a deep desire to see them grow in all aspects of their lives.

Our Athletic Achievement Awards Program was developed to reward guests who show improvement in their chosen activities. Our Gold, Silver and Bronze levels allow all guests—whether skilled or just starting out—to be recognized for their accomplishments. Achievement at Muskoka Woods goes beyond just athletic or artistic ability. We recognize guests who excel in areas of **Creativity, Confidence, Teamwork, and Perseverance.**
