

Fine Art weeks 1-9

Fanatic
ages 10-17

Let your imagination run wild as you create a baroque masterpiece, an avante garde conversation piece or, better yet, develop your very own artistic style. You'll explore your creative side through drawing, sketching and sculpting, using pens, pencils, coal, watercolours, acrylics and clay! We'll provide all the materials, you bring your artist's eye. This program will give you plenty of guidance as you experiment with new media and methods, and develop your confidence as an artist.
