

All Day Programs

Wake X
weeks 1-9

All Day (ages 10-17)

Ride all day long at the best wakeboard camp in Canada. Wake X is a world-class program for wakeboarders of all levels. You'll experiment and learn new tricks through daily progression, both behind our fleet of brand new Nautique boats, and in our private slider park. We mix it up with trampoline training, wake surfing, wake skating, competitions and prize giveaways.

There's even BBQs and some fishing on the side, if you're so inclined.

You'll learn from expert instructors, team riders and visiting pros as you push your riding to the next level. You'll ride the latest wakeboards and gear from our team sponsors, and we have plenty of safety gear on hand, but you're also welcome to bring your own equipment.
