If you are registering by mail or fax, and your preferred week or program is unavailable, we will contact you as soon as possible. Please be prepared with a second choice. Unless you are registering for an All Day program, K-Sink, Rage or WILD you will have six hours of activity periods to fill. Choose any combination of Split (3 hours), Fanatic (2 hours) or Activity (1 hour) programs. A premium is charged for all Fanatic Plus or Double Split selections.

Evening Program & Discussion Groups

In each section at Muskoka Woods, the evenings are packed full with fun and memorable programs that are created to be perfect for your age and full of Muskoka Woods sizzle. One night you might be helping to solve a mystery, while the next evening competing with other cabins in a four corner game that is guaranteed to be memorable! Our daily schedule include occasions when conversations focus on character formation, personal values and Christian beliefs. The interactions that happen formally & informally are age sensitive and respectful of diverse spiritual traditions. The intention is to create opportunities for guests to interact with each other and ask questions in safe settings with trained staff.
