

Our dedicated and fun-loving staff, who are trained in the core values of Muskoka Woods, are there to ensure that the whole camp experience is fun, safe and successful for all.

All staff members go through a rigorous selection and training process that includes behavioral interviews, reference checks, skills & experience assessment, police & criminal record check, and a 7 day, on-site training course. **And did we mention we have the best Staff to Guest ratio in the camping industry!**
