

SPLIT FINE ART **[AVAILABLE WEEKS 1-9]**

PERIODS 1-3, 4-6, AGES: 12-17

Come and experience an enriching new program where creativity reigns. Young artists will learn to further develop their own creative and imaginative styles, while discovering new ones they didn't even know they had! This program will give an in-depth look into artistic areas like drawing, sketching, watercolour, and acrylic painting, as well as sculpting. Join us this summer and let your imagination soar!

SPLIT FREERIDE **[AVAILABLE WEEKS 1-9]**

PERIODS 1-3, AGES: 12-17

Riders will be inspired to challenge themselves to achieve their goals and maximize their potential. We offer riders a variety of terrain to tackle every day including downhills, rocks, dirt, roots, and logs. In addition, riders will be challenged with "North Shore" style elements including ladders, bridges, and teeter-totters. The Freeride Park, a trials and training area, is also available to hone essential skills. Riders will also have limited access to explore skateparks and dirt jumps at the B3 facility. Freeride at Muskoka Woods is an experience you'll never forget!

For the remainder of your day, select from many of the other activities and programs available at Muskoka Woods.

Freeride is offered as a Split program in the morning. Guests are required to bring their own equipment for participation in the Freeride program including: Mountain Bike, Helmet, Protective Gear and Bike Lock.
