

3.1 WAKE X

[AGES 12-17]

Muskoka Woods sets the benchmark for specialized wakeboard training camps in Canada. Muskoka Woods provides our guests with an unmatched experience through quality coaches and techniques, the best Nautique towboats, and Canada's sickest private slider park. With an emphasis on training for competitive events, our guests will have the opportunity to work with Muskoka Woods Instructors, Team Riders, and visiting pros and coaches. In addition, guests will have the chance to use some of the best wakeboards and related gear from our sponsors and take away prizes at the end of the week. Check out our new Action Sports website for videos and pictures at www.muskokawoods.com

Wake X is offered as a Full Day program with a 3-hour session in the morning and a 3-hour session in the afternoon. Guests are divided into training groups at the beginning of the week led by 2 instructors. A small ratio is maintained in order for guests to maximize time on the water and receive specialized instruction from our staff. Guests will rotate throughout the week through three training blocks that include Nautique towboat sessions, slider park sessions, and trampoline sessions. Whether it's behind a boat on Lake Rosseau, a Jet-ski at our slider park, or on the trampolines at our gymnastics center, you'll get the best of it all in Wake X!
