

## 5.2 STAFF

Are you at all nervous about coming for a week or two of camp? Don't be! You're going to spend seven days with 300 of the most fun, caring, and down-right hilarious counsellors and instructors you will ever meet. They are committed to giving you the best week of your summer and instructing you so that you develop your skills in a fun and safe environment. Our dedicated and fun loving staff, who are trained in the core values of Muskoka Woods, are there to ensure that the whole camp experience is fun, safe and successful for all. And by the way, we are silly, silly, silly about the way we hire. All staff members go through a rigorous selection and training process that includes:

- Behavioral interviews & reference checks
- First Aid training [for all senior staff]
- Skills & experience assessment
- Police and criminal record check
- Seven day on-site training course

## 5.3 HEALTH CARE

At Muskoka Woods our programs are designed for safe, healthy, athletic activity. We believe in providing our guests with not only the best sports facilities and equipment, but the best medical care available. Muskoka Woods maintains a Health Care Centre with several full-time nurses and a doctor in residence. Our medical staff attend to all routine and emergency medical needs on a 24 hour basis. The Health Care Centre is open three times a day for medication and consultation. A completed health form including health insurance [OHIP or equivalent] is mandatory. Muskoka Woods also has an Air Ambulance helipad on property.
