CEO LEADERSHIP

004.5206

*For Ages 15-17

SESSION 1 June 28 - July 26

SESSION 2 July 26 - August 23

At Muskoka Woods our staff is committed to providing a life changing experience where character and potential are developed. Our passion is to provide young people with the personal skills and leadership abilities they need to become the CEO of their own lives.

Included in the CEO Leadership Program is training material developed by Ken Blanchard, a leadership professional and author of "The One Minute Manager". Each session is four weeks long and will be an amazing adventure full of: CHALLENGE, EXPERIENCE, and OPPORTUNITY!

Please Note:
Acceptance into this program is by FORMAL APPLICATION and INTERVIEW. The enclosed registration form is NOT the application. Call the office for details. Please register for regular camp to ensure your Summer vacation. If acceptance into the CEO program is granted, all payments already deposited will be transferred to your CEO account.

[Action Sports Series]

*For Ages 9-17

Skateboarding,
BMX Freestyle,
Inline Skating

Come ride the new 20000+ sqft indoor and 10000sqft outdoor parks we've added to the 20000sqft we designed last year. New ramps include the SnowJam street course, the Slam City Jam 10 Year anniversary course and a 48 foot wide Vert ramp with a roll-in. Again this year, all parks have been designed by **New Line Skateparks**. In our program, attention is placed on your skill development, balance, and style. After the daily mandatory group instruction sessions, attention is turned toward riders' individual tricks where instructors and pros work one-on-one throughout the parks & trails.

HOLLYWOOD NORTH

004.3265

*For Ages 14-17

Hollywood North is a hands-on introduction to the world of movie production

Do the finer aspects of movies intrigue you? Have you ever wanted to learn how a movie is created? Would you like a realistic perspective from industry specialists? Are you interested in making a short film with other people your age? Have you ever wanted to be behind or in front of a camera?

In Hollywood North you can expect to meet various industry professionals, participate in the fine tuning of a script, enhance the story board of a shoot, gain hands-on experience with professional equipment, bring home your own short film, be coached in acting and cinematography skills and learn basic stunt moves from a professional.
