Charter Member of the Staff

Message from the Niagara District High School Board

The past year has been a busy one for the Board and the various Committees. Construction of the vocational section has now been completed and all rooms are in use.

The Board is proud of this achievement, and find that things are falling into line with the new system.

There is still some construction to be done to alleviate the congestion in the physical education departments, but this will be completed for the opening of school in September.

The staff is steadily increasing and three new members will be added this coming year.

It is to be hoped that all will take full advantage of the facilities now at their disposal, to obtain a better education.

Best wishes for the success of the yearly publication of Acta Studentium.

Sincerely,

W. J. Hunter, Chairman.
