the morning & it does so much

any thing in the way  
of fancy work to do  
or have - you time  
& suppose you will be  
going out - so much  
you will surely be  
able to settle down to  
such a quiet place as  
this when you come  
home write & tell me  
all the news after the  
manner you know I like  
to hear the news as I  
don't get out any the  
first letter I have written since

words give my best love to
