LESSONS LEARNED FROM AN RFID IMPLEMENTATION

Karen Anderson, Director of Public Service; **Mary Sakaluk**, Manager, Digital Technology Infrastructure; Hamilton PL; **Lester Webb**, Director, Systems & Technical Services, Kingston Frontenac PL;

Weeding, tagging, marketing, self checks, sorters, gates, antennas, readers – it’s all part of RFID. Hear why Hamilton and Kingston Public Libraries moved to RFID for self service and check in. How do you get support for the initiative? How should you tag multi part sets? Does it really improve efficiency of staff? We’ll share implementation experiences and lessons learned throughout the process.

BRAIN-BASED TEACHING IN THE DIGITAL AGE

Karla Torrente, Staff Development Facilitator, Durham DSB

What does the rapidly changing digital landscape mean for classroom teaching? How has technology affected the brain development of students and how does it relate to what we know about learning styles, memory, and multi-tasking? This interactive workshop will examine these questions and discuss the impact on the 21st-century learner. *Both*
