Winner of the 2012 Super Conference Artwork Design Competition

Meet Weimar Lee, a student in the Independent Illustration Program at Seneca College. Her design talent resulted in being chosen the winner from among several entries submitted by students in design programs at colleges in the Greater Toronto area.

In her own words, "I am a very passionate and skilled illustrator/designer – able to create many wonderful things." And, indeed, she has created artwork in the OLA reputation for creativity, uniqueness, and artistic appeal.
