

**Arthur's excited!** He has the intention

To have a **big party** at this here Convention!  
All his **OLA friends** that he's made through the years  
Are invited to come for good food and good cheer.

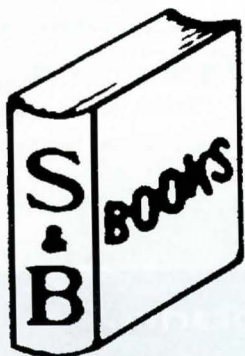

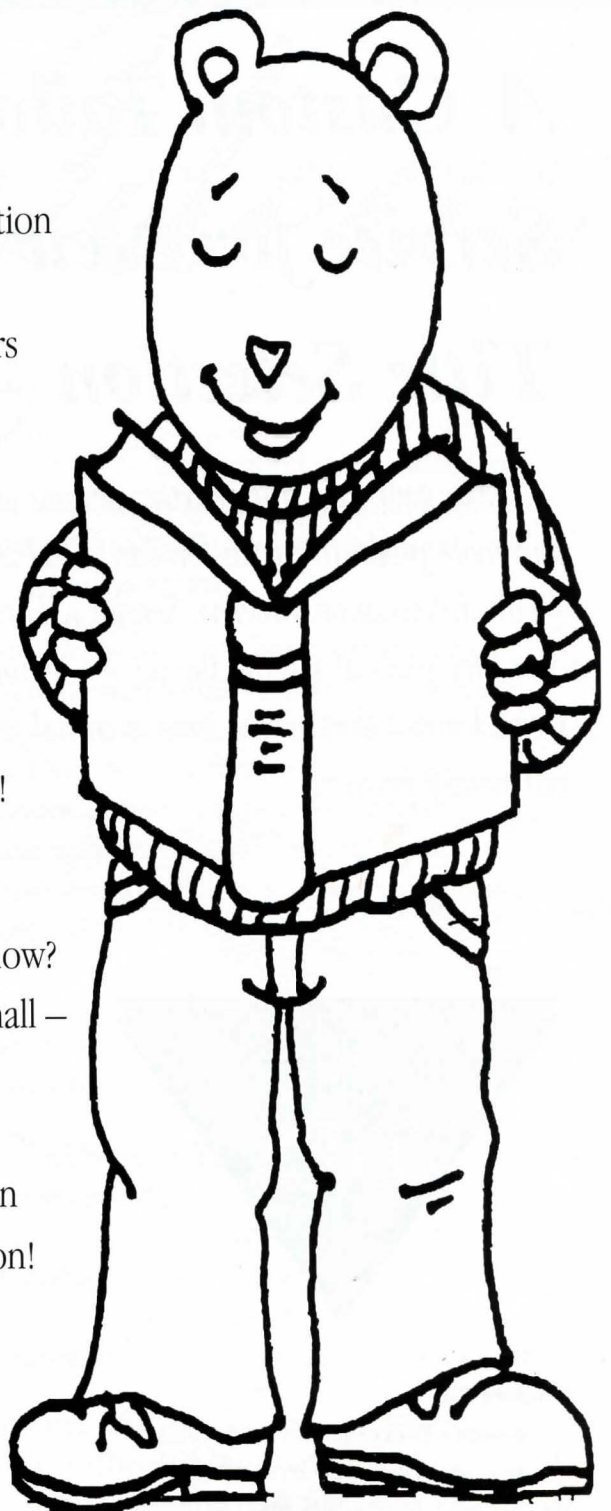

But why a **big party**? Is there something new?  
Who is it for? And just what did they do?

Arthur is shocked. You mean you didn't know  
That **S & B Books** just continues to grow?

And after much planning throughout the year  
**S & B's** new **Children's Division** is finally here!

A **Children's Division**? Oh my! Holy Cow!  
Along with all the great stuff **S & B Books** does right now?  
With their videos and audio and books – large print and small –  
**S & B Books** caters to one and all!

So come to **Booth 610** to meet **Arthur's** delegation  
And make sure you come to **S & B Books'** celebration!
