ONTARIO LIBRARY TRUSTEES' ASSOCIATION

OLTA Annual Meeting

MTCC / ROOM 206A

PRESIDING: Hilary Bates Neary, President 1997

At the Association Policy Forum in November, the future direction of OLTA was discussed at length. Now that Bill 109 has been withdrawn and funding to public libraries restored, our future activity takes on new urgency. We must continue to show that the faith shown in us is well-founded. Your Council will report on the year that was and your new President, Edmundo Vasquez will point to the year ahead. The OLTA Annual Report, which will be distributed at the AGM, contains a draft overview of the next OLTA Strategic Plan. Be part of the discussions and decisions that move us all forward.

CP / BALLROOM B

PRESIDING: Linda Linton, 1997 President

Come help us celebrate the achievements of the past year. Discuss the imperatives that are shaping the work ahead and hear how the resolutions discussed at the Association Policy Forum are giving direction to your Council. This is your first opportunity to meet Barry Holmes as your new President as well as to talk with your newly elected representatives for 1998. Help them determine the substance of the work of your Association this year. We hope to see you there!

You and your fellow members will discuss the key issues affecting you and your library information centre. 1998 President Mark Kaminski will outline the programs being given priority this year in response to these needs.
