

# Networking Dinner and Entertainment

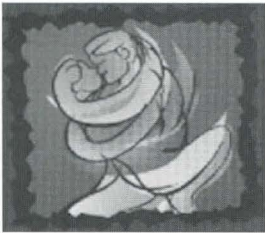

Friday, January 23, 1998 - 7:30 pm

**JOE BADALI'S**

*is located across the street just past Simcoe at 156 Front Street West.*

A four course meal will be provided with a glass of wine, plus coffee and tea. **Joe Badali's** will provide attendees with a choice at each course to make the evening what you want. Drinks begin anytime after 7:00 pm. There will be a cash bar. Take this opportunity to get together for dinner and conversation with others who work in the same area of Ontario or in the same area of expertise as you do – or you are welcome to gather a group of old friends and just enjoy a night on the town.

The Toronto theatre group – Solar Stage are going to pack up their sets and their cast and come over to Joe Badali's to entertain. This evening they will present a rendition of Harold Pinter's *THE LOVER* – perhaps his only comedy. Take a darkly comic ride into the lives of a long-married couple. And our Shoe Contests continue.

*There will be a limited number of tickets available on a first-come, first-serve basis at the Registration Desk.*
