## MICHAEL ENRIGHT

Host, CBC's *This Morning*

Michael Enright has entertained his audiences for ten years as Host of *As It Happens* and challenged guests from around the world. He creates controversy through his questions, evokes reaction from his audience and most importantly has the wit, analysis and intelligence to get to the bottom of any story. His credentials are impressive from his days in print journalism, where he changed *Maclean's* from a monthly to a weekly magazine.

The only person who was ever seriously considered to replace the much revered and enjoyed Peter Gzowski on CBC's flagship morning programming slot, Michael Enright is now the person that this nation relies on for coverage of Canada's events and its people.

Michael Enright has a genuine interest in the society around him. He will bring his warmth, analysis and wit to our closing plenary session.

BUFFET BRUNCH TICKETS ARE \$17.50 EACH.
