**If you think your library should have unlimited  
access to the news you need, keep reading.**

---

Finally there's an on-line news source that specifically designed for public schools and libraries. Created by the makers of NEWSSCAN, Virtual News Library not only gives you unlimited access to the most comprehensive list of Canadian dailies and publications, it's bilingual, user-friendly and remarkably affordable. **For the whole story, visit us at booth #429. And don't miss our workshop on Friday, February 2<sup>nd</sup> 2001, at 5 p.m. in room 203B.**
