THE 100TH ANNIVERSARY CONFERENCE OF THE ONTARIO LIBRARY ASSOCIATION

111 OSLA MTCC 203AB
8:45 am-10:00 am

INFORMATION STUDIES ACROSS THE CURRICULUM

Sya Van Geest, OSLA President,
retired Teacher librarian.

The *Information Studies* document will be presented with practical implementation strategies including linking expectations to subject curricula, developing research assignments and incorporating information technologies. Convenor: Sandi Zwaan, retired teacher librarian.

112 OSLA MTCC 202C
8:45 am-10:00 am

PAINLESS PARTNERING: INTEGRATING COMPUTER TECHNOLOGY AND INQUIRY SKILLS

Robert Wylie, Teacher librarian,
Gracefield Public School, Toronto
District School Board.

Learn how Ministry-licensed software, such as *Science Court*, *The Way Things Work*, and *Light and Sound* and problem-solving games can be used to reinforce the inquiry process.

113 OSLA MTCC 201C
8:45 am-10:00 am

THE OSAPAC PROCESS: MINISTRY-LICENSED SOFTWARE FOR ONTARIO SCHOOLS

Marilynn Pascale, Academic
Services, Toronto District School
Board.

Confused by the Ministry of
Education process to license soft-

ware for Ontario schools? How
are the programs selected? Who
makes the decision? What's new
this year? Find out about the cur-
riculum resources available and
learn how you can help influence
licensing priorities for the
upcoming year.

Convenor: Lynn Poth, Toronto District
School Board.

114 OSLA MTCC 205B
8:45 am-10:00 am

PRACTICAL IDEAS AND STRATEGIES FOR USING INFORMATIONAL TEXT

Andrea Rowan, Teacher librarian,
Withrow Public School, Toronto
District School Board.

Are you a bilingual teacher
librarian? Develop concrete,
practical strategies to use with
non-fiction texts. Learn how to
modify your strategy with before,
during and after reading activities. A package of activities in
English and in French will be dis-
cussed and distributed.

115 OSLA
