SUPER CONFERENCE 2010

**FEBRUARY
24-27, 2010**

Students: You're Invited to the Ontario Library Association Super Conference!

February 24 - 27, 2010, Metro Toronto Convention Centre, 255 Front Street West, Toronto

OLA's Super Conference attracts more than 4,500 delegates each year from all areas of the library and information management sector.

More than 300 students register and/or volunteer each year at Super Conference.

What does the Super Conference offer to students?

- ✓ Huge networking opportunities
- ✓ Low student registration fee
- ✓ Free day on the day you volunteer
- ✓ Career Centre and Mentor matching
- ✓ Career development day Saturday
- ✓ Largest library exhibit in Canada

Volunteer for a half or full day and attend workshops on that day for free. We need volunteers to assist with signage, directions, and workshop logistics, among other opportunities.

Saturday at the Super Conference is career development day. For \$55 you get 3 hours of career development and job seeking workshops (resume writing, interview tips, etc.), a 'meet the employer' lounge, lunch, and two keynotes; Saturday luncheon keynote is Jonathan Goldstein, from CBC Radio's WireTap.

Details will be posted to OLA's web site by end of October.
