

THURSDAY SCHEDULE

10:30 AM - 11:10 AM
10:30 AM - 12:00 PM

10:30 AM - 11:10 AM | MTCC 206B

3D GEOSPATIAL DATA VISUALIZATION IN LIBRARIES

Marcel Fortin, U Toronto

This session will provide an introduction to 3D tools and data. A demo of the capabilities of 3D visualization will be provided and the requirements for 3D data-modelling in libraries will be discussed.

Convenor: Sarah Simpkin, U Ottawa

TECHNOLOGY | OPEN DATA | G.I.S.

10:30 AM - 11:10 AM | MTCC 206F

ADVENTURES IN E-LEARNING DEVELOPMENT AND DESIGN: RESULTS AND BEST PRACTICES

Caleb Domsy, Adam Weissengruber, Amy Weir, Humber C

Driven by a passion for eLearning and experimentation, Humber Libraries has assembled a team with the capacity to create engaging research modules and tutorials. Discover how our team has transitioned from 'dreaming up' ideas to launching a successful collection of eLearning resources and assets.

Convenor: Fiona Inglis, Mohawk C

COLLEGE & UNIVERSITY LIBRARIES | E-LEARNING | DESIGN

10:30 AM - 11:10 AM | MTCC 201D

AN ACADEMIC LIBRARY'S CONTRIBUTION TO STUDENT SUCCESS WHILE ADDRESSING DISRUPTIVE BEHAVIOUR

Lorraine Busby, Memorial U

This case study traces the successes and limitations in contributing to learning outcomes of a student who is autistic and exhibiting disruptive behaviours in an university library. Consideration is given to the issues, behaviours, and early attempts to deal with complaints and frustrations of all parties involved.

Convenor: Kevin Tanner, Western U

COLLEGE & UNIVERSITY LIBRARIES | WORKPLACE SAFETY

10:30 AM - 11:10 AM | ICTC GRENADIER

AN INTRODUCTION TO PROSPECT RESEARCH IN THE CHARITABLE SECTOR

Tracey Church, Research & Consultant Services

Prospect Researchers are analysts and profilers of individuals, corporations, and foundations who have the capacity and affinity to give major gifts to charities. The skills needed in this field overlap a great deal with those used in library sciences. Because of this, charities recruit many researchers from MLIS programs.

Convenor: Sarah McCabe, Ontario Historical Society

SPECIAL LIBRARIES | PROSPECT RESEARCH | FUNDRAISING

10:30 AM - 11:10 AM | MTCC 204

BOARD GAME PALOOZA!

Colin Harkness, Carleton U; **Emma Cross**, Carleton U

After the success of Game Zone at the 2015 OLA Super Conference, the team from Carleton University is back with a full session on board games and libraries. Learn more about how board games are used in teaching and learning at Carleton University; cataloguing board games with RDA; and library programming with board games.

Convenor: Pam King, U Toronto

TECHNICIANS | GAMING | COLLECTIONS

10:30 AM - 12:00 PM | ICTC HALIBURTON

BOOTCAMP FOR ENGINEERING & APPLIED SCIENCE LIBRARIANS

Angela Henshilwood, U Toronto; **Cristina Sewerin**, U Toronto; **Michelle Spence**, U Toronto

This session will provide librarians working or interested in the engineering field with subject-specific information presented by engineering faculty or professionals. Session topics may include a primer on engineering design, engineering research data management, and a look at the big questions engineers are trying to answer.

Convenor: Michelle Spence, U Toronto

COLLEGE & UNIVERSITY LIBRARIES | ENGINEERING

10:30 AM - 12:00 PM | MTCC 104B

CHOOSING TO WALK A PATH: LIBRARY SERVICES WITH INDIGENOUS PEOPLES ON PURPOSE

Monique Woroniak, Winnipeg PL

This session will share key concepts related to understanding the role public libraries can play in serving and celebrating indigenous peoples, as well as the successes and challenges faced by a public library in a city with a large indigenous population.

ABORIGINAL | PARTNERSHIPS | OUTREACH

10:30 AM - 11:10 AM | MTCC 201E

CONDEMNED — NOW WHAT?

Jennifer La Chapelle, Clearview PL; **Michele McKenzie**, Clearview PL

We will use our own building disaster as an example of what to do when your building (or part thereof) is declared structurally unsound. We will even take you down the road of unexpected mould remediation, and cover everything from identifying the structural problems to finding the funds to fix them.

Convenor: Glenda Newbatt, Essa PL

BOARDS & GOVERNANCE | SPACE DESIGN

10:30 AM - 12:00 PM | ICTC KINGSWAY

DEFINING CHARACTERISTICS OF A LEARNING COMMONS

Carol Koechlin, Treasure Mountain Canada; **David Loertscher**, San Jose State University School

The Learning Commons is always in a state of beta on the climb to excellence. Although there is no clear destination point or end to the journey, there should be defining characteristics we can use to consider progress and set goals for improvement.

SCHOOL LIBRARIES | LEARNING COMMONS

10:30 AM - 12:00 PM | MTCC 103

DEVELOPING SUCCESSFUL INQUIRERS

Melissa Tom, Halton DSB; **Lori Tsotsos**, Halton DSB; **Heather Stones**, Halton DSB

Come explore ways to teach your students the key skills required for them to become successful inquirers. Participate in hands-on activities that will help your students and teachers better understand the inquiry model.

Convenor: Amanda Halfpenny, le Conseil Scolaire Viamonde

SCHOOL LIBRARIES | INQUIRY | COLLABORATION
