Published three times a year to support members of the Ontario School Library Association in providing significant and effective library programs and services in the schools of Ontario. *The Teaching Librarian* promotes library curriculum program and development that will further the objectives set out for students by the province, school boards, administrators, teachers and parents. It fosters more effective partnering with teachers and administrators, and provides a forum in which teacher-librarians can share experience and expertise.

Cover photos: Dynamic Silver Birch and Red Maple reading programs are making waves in school libraries and classrooms. At Harbourfront Centre on Toronto's waterfront, 1,500 children represented close to 40,000 of their peers across Ontario who voted for this year's Silver Birch Award winners [www.accessola.com/programs/silver-birch2001.html]. To learn more about the Read poster and its use at Rideau High School in Ottawa, see p. 28.
