## PORTFOLIO: SUPER CONFERENCE

led by Rose Dodgson

OLA Super Conference 2002 lived up to its name, it was truly "super." It appears from all our evaluations that this year's event was a great success, enthusiastically enjoyed by all.

The tremendous success of our annual conference is dependent on the involvement and support of all members: the untiring work of all of the volunteers, the outstanding quality of the presentations by our speakers and the commitment of all of the convenors. Congratulations to all!

Even as we celebrate the success of this year's conference, planning is already under way for Super Conference 2003. Become part of the tradition.

Take an active part in continuing to make our conference successful by sharing your expertise and experience. Please respond to the Super Conference 2002 message posted on the OSLA listserv and send in your ideas or proposals for next year's Super Conference. Use the form on page 83 in the Super Conference 2002 Program or on-line at <http://www.accessola.com/programs/super-conference>.

The 2003 Super Conference Program Planning Co-Chairs are Jo-Anne LaForty and Brenda Partridge.
