

TL mission

THE TEACHING LIBRARIAN

is the official magazine of the Ontario School Library Association. It is published three times a year to support OSLA members in providing significant and effective library programs and services. *The Teaching Librarian* promotes library program and curriculum development that further the objectives set out for students and teachers by the province, school boards, administrators, teachers and parents. It fosters effective partnering with teachers and administrators, and provides a forum where teacher-librarians can share experience and expertise.

TL subscriptions

The Teaching Librarian is a benefit of Ontario School Library Association membership. It is also available on subscription for \$36.00 per year, plus GST. To become a member or subscriber, contact:
