

"For nearly thirty years CultureGrams has combed the world every year for qualified citizens in each nation who convey in writing what life there is really like. No one makes the effort CultureGrams does to 'put the whole world in your hands.'"

— Jeffery Ringer, Director
BYU, David M. Kennedy Center for International Studies

Culture Matters

Wherever you live, culture matters. The nightly news and the Internet bring the world instantaneously into our homes. When your friends and colleagues can come from a dozen lands and global trends shape what you wear and eat, culture matters. CultureGrams informs you on matters of culture such as where we dwell, how we greet each other, and how we celebrate. Around the world, these are as varied as the flags we fly.

CultureGrams Delivers the World...to You

CultureGrams helps you discover the world with concise cultural and statistical snapshots of every country recognized by the United Nations—from Afghanistan to Zimbabwe. Local experts document the unique, intimate details of each country's customs, traditions, and daily life. Canadian teachers and parents will love the included kid-friendly Provinces Edition, providing detailed profiles of all 13 provinces and territories. ■ CultureGrams helps everyone prepare themselves as true world citizens.
