

OLA WELCOMES OUR EDUCATORS TO CANADA'S LARGEST LIBRARY EVENT!

The OLA Super Conference is the place you come when you want to find inspiration. This is where new ideas emerge through motivating, leading-edge speakers and where connections and relationships are sparked.

The conference has grown steadily since 1999 and is recognized as a leading event for professional development and networking on the continent.

We take risks. We endeavour to explore the unknown. We shed light on learning and technology, and we fight for the right to information, literacy, and education for all. As knowledge and research experts, we venture to serve our communities, schools, and more. We forecast needs and provide services, spaces, and places that support everyone.

We are entrusted with holding the facts and evidence upon which a just society is based. As our society transforms, so do we.

We are Fearless by Design.
