RSVP to: info@accessola.com

Has your library participated in Culture Days? Is your library interested in participating? RSVP for this webinar and find out about the many available resources, tools, and tips that can make Culture Days a success in your Library. Meet and network with other Culture Days activity organizers and find out what is being planning in your community.

What is Culture Days?
Culture Days is a collaborative movement to encourage awareness, participation and engagement of all Canadians in the arts and cultural life of their communities. Now in its third year, this Canada-wide celebration represents the largest-ever public participation campaign undertaken by the arts and cultural community in this country. Culture Days will feature free hands-on activities that invite the public to participate in the "behind-the-scenes" world of artists, creators, historians, architects, curators, designers... in their community. Through this exchange, artists and creators have a unique opportunity to engage people of all ages in their creative practice. Culture Days will take place on September 27-29, 2013, in all provinces and territories.

What our members are talking about

Here's the latest discussion from our [OLA Community page](#)

Core Competencies for Preschool Programmers
Does your library have core competencies in place for the evaluation of programmers? If so, what are the core competencies you look for in individuals that conduct storytimes?

E-Newsletters
Are there any libraries out there that have found an approach that works? We're looking into what kind of depth e-newsletters have, how frequently mailings go out, which individuals/departments are involved in putting the mailings together and sending them out, and really, any other information anyone is willing to share.
