## Forest of Reading® 2014 begins Oct. 1!

Are you ready to enter the forest? Registration for [OLA's Forest of Reading®](#) will open on Oct. 1, 2013!

### Here's what you need to know:

- We are excited to offer the same registration fees as last year, along with an early bird discount and bulk registration rates for school boards to reduce the already low cost of \$20 for OLA members. Price is per location, which means ANY number of readers can be in your program for this low price.
- The nominated lists for school-aged programs and Golden Oak will be announced on Oct. 15, 2013.
- Password sites will be opened on Dec. 1, 2013 and will be more accessible this coming year than in previous years.
- **PLUS...** Greater involvement from international schools and out of province schools adds a new dimension to the program and adds the possibility of a cross-regional correspondence with another school to share your Forest of Reading® experience.

## Help us improve our website

We need your help! OLA is looking for volunteer usability testers to help us test and improve our web presence. Volunteers will be required to visit the OLA office in downtown Toronto. A specific date will be set at the convenience of the volunteers.

Contact [Brian Pudden](#) for more information.
