Featured Upcoming Release: Teaching the Video Production Class

Spanning lesson plans, video production activities, assessment, and more, [Teaching the Video Production Class](#) supplies a comprehensive, step-by-step guide to teaching a television production class, using whatever equipment is readily available. It focuses on the critical aspects of how to teach television production and organize lessons, rather than the quickly evolving details of what equipment or editing software to use.

ISBN 978-1-61069-374-5 • \$58.95 • Pub Date: 11/30/13

The holidays are fast approaching! Let the OLASore help you find that perfect something with our great selection of book-related gift items. Visit our [Holiday 2013 page](#) for our top picks and newest items.
