DONATE to the Festival of Trees

The annual Festival of Trees is only six weeks away! The Festival is the culmination of the Forest of Reading program and occupies a major place of prominence in Canada's literary landscape.

We have just launched a [Donation Page on our website](#) and hope you will consider making a donation to support the Festival of Trees, the thousands of young readers that attend each year, and the thousands more that cannot afford to come.

We continually strive to enrich the programming at the Festival and to give more children the opportunity to attend, but as a non-profit organization, we can only do so much. The OLA needs your help! We truly hope you will consider making a contribution to the Festival of Trees this year.
