OLA SUPER CONFERENCE 2015: THINK IT. DO IT!

Here's a sneak peek at some BIG exciting changes coming to Super Conference 2015!

*NEW! Dates

No more pre-conference! The full conference will start on **Wednesday, January 28** at 9:00 am with a morning full of interactive programming to warm up your brains (caffeine optional). No need to pay extra; these workshops are included in your conference registration.

*NEW! Session Lengths

You spoke and we listened! Conference attendees want a variety of shorter sessions and longer, more involved workshop formats. You will now have the option of:

- 40-minute sessions for quick and concise topics and projects
- 75-minute sessions for more involved topics or panels
- 90-minute sessions for interactive workshops

*NEW! Hands-on Workshops

As much as we all love sitting back, nursing a coffee and being lulled by the clickety-clack of laptop keys and knitting needles - it's time to wake up! Join the series of interactive workshops and start learning not just with your heads but with your hands. More details to come when the program is released in mid-September.

Online registration opens November 3, 2014 - [watch this space.](#)
