

Looking to Innovate Your Library Space?

The [Annual Institute on the Library as Place](#) 2015 will be focusing on “The Library as Experience”. Our fantastic lineup of speakers includes architects from the Google Canada offices, the Seattle Public Library building team and academic Colin Ellard speaks to the intersection of neuroscience and architectural design. This year’s Institute will be held on July 6-7 in Waterloo, Ontario. Early bird registration is open until June 13!
