Introducing DAISY Text Magazines

Centre for Equitable Library Access (CELA), together with RB Digital, is launching Canada's first DAISY magazine service to make some of today's most popular magazines available in a wide range of formats as soon as they are published.

The growing collection will include numerous popular titles covering news and business, decorating and cooking, sports and health, hobbies and popular culture as well as teen's, children's and women's magazines.

Library 2.0: The Future of Libraries in the Digital Age

The San Jose State University School of Information excitedly announces the [Library 2.017 Worldwide Virtual Conference](#). There will be three topic-specific conferences held throughout the year, with each three-hour event featuring an opening and closing keynote session and crowd-sourced presentations. Registration is free.

The first date is set for Mar. 29, and will cover expertise, competencies and careers. The other two web conferences will be held in June and October and cover the topics of digital literacy and makerspaces.
