Symbols And Interlibrary Loan Policies In Canada

Library and Archives Canada (LAC) launched a new search interface for the directory, [Symbols and Interlibrary Loans Policies in Canada](#).

The directory has been redesigned as part of the ongoing transition from AMICUS to a new library management system hosted by OCLC. The current directory is linked to AMICUS, and must therefore be taken down before AMICUS is decommissioned, which will likely be in early spring 2019.

Further information about the transition to LAC's new library management system is available on the [questions and answers page](#).
