OLA AGM Update

At the [OLA Annual General Meeting](#) a resolution concerning By-Law 2 was deferred to allow for more time and input via a special committee. A special OLA committee is embarking on the process of developing a terms of reference for the appointment of a Consultation Committee to develop a resolution for the next Annual General Meeting. We anticipate a process for broader member feedback and look forward to providing progress updates.

Donate to the OLA Mentoring Fund Today!

Many of us in the library and information sector can identify our own mentors. This fund honours those who have provided their guidance, time and expertise to strengthen the library and information profession.

Donations to the OLA Mentoring Fund ensure the ongoing sustainability of projects like Spirit of Reconciliation, and build the capacity for developing new projects that support member development through the mentoring relationship.

Help us raise our \$10,000 goal with a donation today!

Do You Have A Question About Copyright?

Library staff protect copyright but the scope of copyright can be complex and very situational.

OLA offers a copyright questions program for OLA Members in partnership with the Community Legal Services (CLS) at Western University where law students, under the supervision of a lawyer, provide legal opinions on intellectual property (IP) matters (trademark, copyright, patent, personal data protection, privacy, etc.) to persons or organizations.

If you have a question pertaining to copyright, please contact [Shelagh Paterson](#), Executive Director, OLA with your question, context and detail. Allow up to 4 weeks
