## FOREST & FESTIVAL

### Updates in the Forest of Reading Program

We are so excited to announce the new brand of the Forest of Reading, including the Festival and the award programs!

We hope with this new brand, we can make the Forest of Reading more prominent in libraries, and reinforce the value of Canadian authors and illustrators, books, publishing, libraries, and above all, the love of reading.

We want to extend a huge thank you to [the Brandvan Initiative](#) for their incredible work and dedication to the Forest and the Festival.

Learn more about [the rebrand](#) and download [the Brand Guide!](#)

As a reminder, registration for the 2020 program year opens October 1 and we announce the 2020 school-aged nominees on October 15!

And for those registered in the 2019 Forest of Reading program, voting in the Evergreen program is during the month of September. Enter your votes in on the password website.
