### DEEP 2019: Designing Enabling Economies and Policies

Join the Designing Enabling Economies Policies (DEEP) conference on October 18 to dig more deeply into emerging complex or “wicked” problems and opportunities that require multi-perspectival collaboration and insights from a diversity of participants, especially participants who may be left out of but profoundly affected by decisions.

This year's theme is the *State of Inclusion*. Registration is free and mandatory.

### 2018 Annual Survey of Public Libraries

The full text (write-in) reports from the [2018 Annual Survey of Public Libraries](#) are now available.

Each year, the Ministry posts annual statistics on their [website](#). The write-in responses offer greater detail, on Ontario's public libraries for topics such as:

- non-traditional circulating collections,
- reciprocal borrowing arrangements,
- library's catalogue systems,
- measuring the results of library services
- government, business, culture and education partnerships.
- and much more

### Join the Partnership: The Canadian Journal of Library & Information Practice & Research Team!

Are you interested in a wide array of library issues? Are you organized, like the idea of leading a dynamic team of volunteers, and are collaborative?

*Partnership* is accepting applications for a 3-year volunteer Editor-in-Chief position.

*Partnership* is the journal of Canada's national network of provincial and territorial library associations. The journal promotes the exchange of ideas about libraries, librarianship, and information science among practitioners across all library sectors.
