## Super Conference Registration is Now Open!

The countdown to #OLASC is on! To save some trees, OLA will not be mailing out a Super Conference program this year; instead, you can find all of the information you need on [this year's program on our website](#).

Premium Early Bird opened up on October 7 – you have until November 15 to take advantage of this special pricing.

Want to participate at Super Conference but missed the proposal deadline? You have until October 31 to submit your Poster Session idea. Posters are a great way to convey research ideas, special projects, and ideas big and small at the conference in a completely different way. [Submit your poster session idea today](#), and be a part of the biggest Canadian library event of the year.

## UPCOMING WEBINARS

### Find Your Voice: OLA Advocacy Toolkit at Your School and Academic Libraries

The OLA Advocacy Committee will be hosting two webinars in October and November to introduce the [OLA's Advocacy Toolkit](#), with tips on how you can use the resources and templates to effectively advocate for your school and academic libraries. Presenters will provide some concrete examples from their advocacy experiences.
