OME OF THE SEWING MACHINE Companies seem to be particularly active in trying to get the public to believe that they are the most successful in obtaining premiums at the different State and County Fairs in the United States, and also at the Agricultural Exhibitions in the British Provinces. In the beginning of our career, we also were careful to exhibit our Machines at the principal Fairs, Stock Insured. Losses by Lightning made but after having received the Gold Medal of the American Institute, for two successive years, and many other valuable prizes at most of the important exhibitions in this country as well as the Gold Medal of the " Universelle Exposition," at Paris, in 1855, and so forthmore than all, when the public at large admit ted that our Manufacturing Machines were the very best, and when governments felt the necessity of buying them to make clothing for their soldiery, we began to feel there was no Payable in Gold or its equivalent in United to exhibit Machines, the good qualities of which no one disputed. The French Government use our Machines extensively in the manufacture of clothing for their army, and machines largely for a similar purpose, - The Parcels for different consignees col- extent to which they are used in the making ected and made up in single packages ad- of clothes for the United States forces is too ssed to one party for delivery, for the pur- well known to need comment. VERDICT IN FAVOR OF

Some dealers in Tea, Sugar, Coffee, and Spices From various causes were vieing in prices, Till rivalry into herce quarrel was veering, Which timely was checked by some stranger appearing. "Fie! fiel" he exclaimed, " let this quarrelling cease, Yours passions restrain, and disturb not the peace; Tis Quantry, only, that's worth finding out-Let's frirly and calmly put that to test, And we shall find out the cheapest and best And when 'tis decided, proclaimed let it be, Who sells the best Coffee and who the best Tea.' The plan was approved of, and judges elected. Whose honest opinions had ne'er been suspected When this Tea, and that Tea, they tasted in turn And then tried the Coffees from out a new urn-And in a few seconds returned to decide "Unbiased, and void of all prejudice, we Unite in asserting that ROBINSON'S TEA We've put in each possible way to the test, And findlit to be really the CHEAPEST and BEST And as for their COFFEES, we also declare, Such Coffee is not to be met with elsewhere." Thus calinly was ended a noisy affray,
