NOTICE TO CORRESPONDENTS.

A large amount of correspondence of a very the undeviating rule we have laid down for our guidance permitted. It must be understood that no communica-

course being confidential

We cannot undertake to return those which are rejected.

The Commissioner of Customs, the Auditor Council were telegraphed for on Monday, and left for Montreal by the one o'clock train

We have two or three communications layng before us on the much-vexed subject the Burrage concert; about which it seems t us much more has been talked and written than the occasion demanded. We have al ready expressed our regret that our reporter, not being present at the concert-through no fault of his by the bye-allowed himself to be imposed upon by some cynical critic. We should willingly insert the letters on hand had the matter not already been discussed ad nauseam. Parties, we find, take such directly opposite views that we should only be creating ill-will by the publication of these epistles. The affair has not as yet broken any bones, result in the rupture of friendships.

he is concerned-the "pickled rods" with ism. We are of a grateful nature, and thank- McKenzie may perhaps account for it. metaphorically, as prophets are wont, and in and to digest it as we may.

made greater political sacrifices than at

past record of the party was, to a certain extent, blotted out, and it entered upon an endone for the attainment of a certain object, and that object one of such vital importance as to render the sacrifice of lesser matters for its attainment a solemn duty." Most true Thomas Reynolds-Ottawa & Prescott Railway Mr. Brown led his friends into coalition, and became one of its prominent members him self, took an active part in the Quebec Cor vention, went to England, made speeches in favor of Confederation, practically recented his past vituperations and in every way identified himself with the government, its personnel and its policy. He decried the continu ance of partizanship and struggled to obliterate party lines. Antecedents were repudiated; and, to use the cant of the day, "the hor was to lie down with the lamb." But let us proceed with our friend's dish of broiled tripe. Up to the time of Mr. Brown's resignation, the utmost unanimity was displayed, and it required but a little more exertion to enable the

Coalition to hail the completion of its work. and receive the congratulations of the count on the patriotism that had laid aside party di ferences and personal animosities, for the purpose of carrying out to completion a grand national movement. When so, much had been this object, when the leaders of antagonistic parties had worked together harmoniously for Politics." so long a time, and when the project had been Daily, 8,00 a. m. 9,30 a. m. so far advanced as to be just on the point of consummation, it was justly expected that un-" 12.00 M. 5.00 p. m. less for the very gravest of reasons no man en gaged in it would abandon the work.

The fire appears to be a little fierce at the point of the broiling; the griditon upon which ur cook has placed the "tripe" is gettin red-hot. We are glad, however, to find the cu sine is so thorough. The garnish and cond ments are quite worthy of so accomplished an artiste. Exempli gratia-

justly said of the Reformers that in this sucbefore its triumph had been achieved, and that after having supported it up to the very point of success. Either of these charges would be case we would have abandoned everything unless accompanied in its transmission by ers at the present juncture to abandon the the name of the party sending it-such of work they have taken in hand-we may say eration itself should so operate as to make us has been of value to us as a party.

Had we chosen the sauce ourselves we doubt if we could have selected anything mor lirectly palatable to the Conservative tastepiquant, pungent and appetizing, a mixture of rare incredients that make the renowner Worcestershire, Reading and Anchovey fla stale and tame. Talk of Epicurean tastes, why our skilled friend of the Evening Times s qualified to grill "deviled drumsticks" for the Carlton; let him be assured he is hiding his candle under a bushel by remaining in far western city when all Pall Mall would vie in an ovation to one who could serve up des relief. eit.
