ntest to get nearer to it.

The voice shrilled out this upon the night

Anterican sailor, Eliza Dishmore, any my-

self immediately adjourned to the binnacle

for orders; and I well remember that the

1-7 American sailor bowed precedence to both of

and ruin, 'The ship is not sinking; the fore follows:

she said, "There must be a hitch

No answer to him but curses.

(CONCLUPED.) Almost at the bowsprit end the snow seemed to thicken and to solidify, forming a white wall acrose her courss. I doubt if there was time to put the helm down. I had time to

"There were very few," she answered. against the bulworks, expecting the shock. But I can do what you want. If I could It came in an instant. The ship stopped so suddenly that I was thrown along the deck "Were you on deck, madam, when this ruised and hurt; and then one heard the rash. There was a rapping, tearing and

cracking of wood all around; and last of all see the skipper-the master the sound of heavy bodies falling through the air, as the masts came headlong down, one on "I did not. But I saw the boats put off deck and one partly overboard. Then ruin

I suppose my courage is about the same as that of common place people, but it would suspect that man! be worse than absurd to conceal the fact that Mean, imadam? I was dazed and stunned by the hideous disaster, and did not, for a certain, very short time, know what to do. This may partly hardly keeps you civil?" You are a gentlehave arisen from the fact that I instinctively knew, or thought I knew, that nothing could be done-that death was a matter of minutes.

But this was not the case with the crew. Their sailors instincts taught them better. · Madam, I humbly beg your pardon. May The first thing I became aware of, the first I beg that you would be kind enough to prothing with any kind of arrangement in it ceed about what you undertook?" whigh happened after the ruin was this : the crew were crowding into the two larboard boats, which still hung in the davits, the starbeard boats shad been crushed to atoms by the

perfectly devoted to one another, and remain full of the foremast, and were, leaving the ed so for the whole voyage. He not only had got really to respect her, from seeing all her The first boat, lowered with Clifford's apparatus, was in the water in a moment, and in tastic appearance and odd manners, But his another was stove, and sunk among the floating wreck. Not a soul in her came on board nore brusque with her on some occasions gigain. The other hung in the davits longer; than he should have been. He made the their completement was made up all but two most perfect amends. -the carpenter, and the American sailor, Meanwhile day crept up over the busy

to be found, and the American stood looking to a glorious, clear, sparkling morn. Es-A young man had forced his way up from the cabin, and came to them. I heard what "There's room for a dozen more souls in hat bout mates. Take my wife with you; five miles off at sunrise, and of all the beau-"Where is the carpenter? We must have Chips, they cried. "Jump in Yankee. Come I cannot give the American's answer. It was too rough. The words in which he expressed his utterable contempt for them would green. It was the only one near us, but to not do to reproduce here. Yet, coarse as the south we could see a long line of them,

they were so wonderous witty that even while stretching across the horizon, much like I am dwelling on the horrors of that night, another Bernese Oberland. I cannot, forbear to laugh while I recall The first mate who commanded this boat, gave the word to lower away, and they went down the ship's side into night and darkness, turned out to be the finest sailor never to be heard of again. It is impossible to guess at their fate. They may have been his profession in every branch, apparently swamped soon, or they may have been tossed knowing as much of details as the carpenter. on that bitter weltering sea till they ate one A surgeon too, and no bad one, for he set the another. Who can tell? May God forgive captain's leg, and the Scotch stewardness and It was a full moon, and the night was light. A man of resource, for he and the carpenter

decently, without any more breakage. There perfectly accustomed to command, and before cas a great deal of noise and confusion. we had been four days on our new voyage we he second cabin passengers had broken up saw that we should have been lost after all rom below, preferring for some reason, the without him. having a wild, desperate struggle for life to To say that Mrs. Dishmore turned out a being drowned "en masse." So there were thorough trump may be familiar but it is some five and twenty tragedies taking place around me, which I hardly noticed, for be the cook was drowned, so she instantly estween you and I reader, life happened to be tablished herself at the coppers, and worked very precious to me just at that time, and I there, and among the wounded like a slave. was selfish and loth to die. But some one The instant it was possible to do so, she suglaid a hand on my shoulder, and I looked and Eliza Dishmore. She said, "the ship is

I said yes. "Had she seen my brother; I ould like to see him again." who turned out a real hero was the solitary "He is with his wife and child. Better young midshipman we had first seen. His leave them alone. Even a brother would be fortune is made. He has a ship of his own 'detrop.' Stay, and die with me. "I will heartily consent to die with so

scene, and the snow storm ceased, giving way gaged as I was, I could not help looking round with the most eager curiosity to catch sight of the iceberg-that hideous grey mass on which we had struck in the dead of the wild night. It was close to us still, scarce tiful objects I have ever seen I think that was the most beautiful. It lay floating upon a bright blue sea, flecked with flying purple shadows, and every crystal and pinnacle was blazing like the brightest silver against an intensely blue sky, while the shadows on the berg itself were of the palest, most delicate

We found the poor captain, struck down on deck, with both his legs broken entirely helpless. We had no need of his services, poor fellow, for our brown friend we had ever sailed with; a master of Edmund's wife nursed him into convalesence. I saw that the ship was settling down by the got a sail over the bows, and so far stopped head, and in reover had swung clear of the leak as to get the fore compartment pumpthe berg, and was going to settle herself down ed out, which made her sail better. A man

> gested the propriety of offering up a thanks judging from his splendid intonation, that our wonderful brown friend had been accustomed to read prayers in public. Another person

We were two long months getting to Valparaiso, and the perfect good accord there was "I always liked you," she said. "You among us all, the perfect good temper and mutual kindness which was shown by every never believed in me, but you were always one, in the ship, made it the happiest voyage certain, who would not meet now as friends It was only when I was passing in a bont with my brother and sister, under the bows of
