Singer's Sewing Machines.
WHILE, AS A GENERAL THING, THE Sewing Machine people are candid enough to acknowledge that our machines are unequalled for manufacturing purposes, they are almost sure to assert, in the same breath, that Singer's "Letter A" Family Machines are not good as theirs. This is a mere trick of the trade, and we confidently invite those interested in the subject to examine for themselves, and see what our...

VERDICT IN FAVOR OF THE "TEA POT!"
THE MECHANICS INSTITUTE AND Athenaeum respectfully announces that the Second Course of Lectures will Commence on Friday, January 5th, 1866.

Some dealers in Tea, Sugar, Coffee, and Spices, from various causes were vying in prices. The rivalry into fierce quarrels was veering, which finally was checked by some stranger appearing. A fit for it was exclaimed, "let this quarrelling cease, whose passions restrain, and disturb not the peace of Yours passionless, and disturb not the peace of Yours Quality, only that's worth finding out! Let's fairly and calmly put that to test. And when 'tis decided, proclaimed let it be. Who sells the best Coffee and who the best Tea? The plan was approved, and judges elected. Whose best opinion had not been anticipated, when this Tea, and that Tea, they tasted in turn. And then tried the Coffee from out a new urn. And in a few seconds returned to decide: "Unbiased, and void of all prejudice, we unite in asserting that ROBINSON'S TEA we've put in each possible way to the test, and find it to be really the choicest and best, and as for their COFFEES, we also declare, such Coffee is not to be met with elsewhere. Thus calmly was ended a noisy affair. And Robinson's Tea are the theme of the day.
