THE HORSE Of the great number of animals under the ntrol of man, the horse is unquestionably the most serviceable; but is it not strange that so many who own horses, and who are dependent on their labor for a living, should neglect to give them that care and attention which their own interest, no less than the safety and omfort of the horse demands. The best medine for horses is "Darley's Arabian Heave Kemedy and Condition Medicine;" of this there can be no doubt-it is safe and easily given.
