Athlone by King William's forces in 1691, followed as those events were by the great battle of Aughrim, were amongst the most important events in the war of 1691. There It was stated by Ministers, in the debate on seems to be no doubt that the An erican-Irish the suspension of the Habeas Corpus Act in | conspirators have recently not only endeavor-Ireland, that the American-Irish officers who ed to obtain plans of the fortifications of Athcame over to superintend and lead the pro- lone, but also to corrupt the garrison by large posed insurrection had been busily occupied bribes. They may probably have suc eeded in making plans and surveys of the various in the former attempt, but not in the latter. military positions and military works at There is now railway communication in a few Athlone, Limerick, and other places, with a hours from Athlone to Dublin, through Mulview, do doubt, to an attack on those posi-tions whenever the threatened rebellion might for infantry, and also in the opposite direction break out. There has now been so long a to Galway. One of the latest pieces of intelperiod of peace in Ireland, or at least of free- ligence is that a military force has just been dom from danger of anythink like civil war, sent from Athlone to Galway, where there that very little has been done for many years have been no troops for a considerable time, to strengthen any of these positions. But the although there is a barrack for infantry. A Irish fortification, taking them as a whole, ship-of-war has also been placed in the tay, were formed with a view to the defence of that and other vessels in the pri ipal bays along country against both attacks from without and the coast, round to Lough Fovle and the ap attempt from within, and they form altogether proaches to Londonderry. There are scarce part of a system of defence which would be | ly any fortifications in the North of Ireland very effectual if a civil war should ever un except the old walls at Lendendery and the old castle at Carricklergus. In this part of In constructing the military works of Ire- Ireland the loyal p-pulation has a great as-

STARTLING SENSATION.

Extraordinary Excitement in Bracken Co., Ky .- A Demon or Apparation on its Travels-Its Unearthly Appearance,

"What is it ?"

A correspondent of the Mt. Sterling. Ky, Sentinel gives the following account of a flery

Bracken Co., Ky., Feb. 17, 1866. The people in this neighborhood are in the greatest state of excitement in consequence of a remarkable visitation or apparition of some infantry. These barracks, though not strong demoniacal personage in our midst. I am not enough to be defended against a force furnish- a believer in the doctrine that disembodied ed with artillery, are capable of being held spirits can " revisit the glimpses of the moon," successfully against a mere popular insurrec- nor do I believe that epoch designated in protion hastily got up and consisting of a partially | phecy, when the chains of Satan are to be unarmed mob. The positions of the barracks loosed, has arrived. But the things whereof I are chosen with a view to the defence of the now write are of such strange import, so inexplicable, that I have determined to put you in The harbour and city of Cork are much possession of a full and explicit narrative of more strongly detended, the former being the them, merely promising that every word is best harbour for ships of war in Ireland, and | true, and the facts sworn to, as witness the accontaines many valuable-naval and military companying affidavit. What it is I am unable establishments. During the last war Queens. to say. I merely give the facts, such as I am town was a place of great bustle and import. personally cognizant of, and leave it to wiser heads than my own to unravel the mystery. On Monday night last, after thyself and family had retired to rest, we were suddenly

aroused by a great outery from the negro quarters, which are immediately to the rear of the house, in which prayers vied for supremacy Spike Island, Haulbowline, and Rocky Is- with blasphemies; men, women and children land. Spike Island, which covers an area of screaming "fire!" and "murder!" at the top of about 100 acres, contains Westmoreland Fort, their voices, all conspiring to create a scene the strongest military position in the south of worthy a pandemonium. Terribly startled ous military stores and appurtenances. It The room was illuminated as brightly as by also contains a prison and depot for convicts, a flood of sunlight, though the light was of a to which, it is said the Fenian prisoners are bluish cast. Our first and most reasonable to be moved for greater security. Haulbow- conclusion was that the negro cabins were being line Island covers about 28 acres, and is used | consumed by fire. We rushed to the windows as a depot for ordnance stores, besides con- and beheld a sight that fairly curdled the blood taining the governor's house. Rocky Island; in our veins with horror, and filled our hearts THE SUBSCRIBER BEGS TO INTIMATE THAT THE ABOVE MILLS ARE NOW IN | which is only about 21 acres in extent, con- with the utmost terror. My daughter, shelektains two powder magazines and small bar | ing loudly, came flying into my room, hysteri-

iety of new works on the mainland, calcula- den from the house-yard, was a creature of ted to make Spike Island a strong fortress gigantic stature, and the most horritying apwith outworks on the mainland, were sand of the cabin and had a monstrous head, not tioned by Parliament in the Fortifications Bill dissimilar in shape to that of an ape; two introduced by Lord Palmerston's Govern- short, very white horns appeared above each ment three or four years ago, and could eye; its arms were long, covered with shaggy hair of an ashy hue, and terminated with huge In addition to the works at Spike Island paws, not unlike those of a cat, and armed there are large barracks at Cork, capable of with long and hooked claws. Its breast was containing 1000 eavalry and four regiments as broad as that of an ox. Its legs resembled Best Quality No. 1 Oatmeal ; of infantry, with all the appurtances required the front legs of a horse, only the hoofs were at the head quarters of the southern military cloven. It had a long tail, armed with a district of Ireland. These barracks cover dart-shaped horn, which it was continually the eminence of the beautiful suburb rising switching about. Its eyes glowed like two over the Glanmire road. The old fort near living coals of fire, while from its nostrils were the cathedral is now the constabulary bar- emitted shoots of bluish colored flames with a hissing sound, like the hissing of a serpent The whole line of country between Dublin only a thousand fold louder. Its general color, save its arms, was a dull, dingy brown. The air was powerfully impregnated with a smell of burning sulphur. The poor negroes were evidently laboring under the extremest terror, and two of them, an old woman and lin to Limerick and Cork, there is a large lad, were actually driven to insanity by their barrack for cavalry. At Templemore, further fears, and have not recovered their reason up south, on the same line, there is a large in- to this writing. I do not know how long this fantry barrack capable of containing 1,500. monster, demon or devil, was visible after we men. At Mallow there is a small infantry reached the window-possibly some three barrack. At Fermoy, in the county of Cork, seconds. When it vanished it was enveloped on the banks of the river Blackwater, there in a spiral column of flame that reached near

western military district, and there are four appearance at my neighbor's, Mrs. Wm. Dole, barracks, namely, the Castle Barrack, Eng- appearing there in precisely the same shape in Newtown Perry; the artillery barrack in which appeared to those who witnessed it at Irishtown; and an infantry barrack in St. Mrs. D.'s to resemble that of a horse. At Mr. John's equare. There is also a naval force in the lower part of the river Shannon at the present time, which would be of great value peared at Mr. Jesse Bond's, there wearing the head of an elephant. At all these places it Limerick may be considered the lowest made the same appearance as at my house point in a line of fortifications intended to excepting only the changing of the headpoint in a line of fortifications intended to and disappeared in the same manner These command the whole line of the river Snan-parties are all reliable ladies and gentlemen,

What it is, what its object, what its mission, is something that passes my poor comprehension. What I have above written is simple,

Respectfully your friend NATHANIEL G. SQUIRES.
