DESCRIPTION OF A GOOD WIFE. A PRIZE ESSAY. JANET GOLD, THE GIBNEY.

The following descriptive sketch (as will be seen) is written in the form of a narrative. The writer adopted this style, thinking it the most practical way of treating the subject, and of giving more power to her illustrations. Here, then, is the unvarnished record from our worthy editor, David Gold, after a thirty-five years' experience with his Janet.

"Whoa! findeth a wife findeth a good thing"—Solomon.

In looking to describe the properties of a good wife, instead of the rage as it is, what I have done is to tell the actual facts of the life of a good wife, as it is, and as it should be. Here, then, is the unvarnished record from our worthy editor, David Gold, after a thirty-five years' experience with his Janet.
