bec Daily News says, that Charles Hunt, Esq., merchant, has been appointed Superintendent Stephens is the sister of George Hopper, a means to say, that the endowments of love of the line of Provincial tug steamers, in the merchant of Dublin, who was deeply impli- and wisdom are not often granted, even to the room of F. Buteau, Esq., who retires. Mr. cated in the Fenian conspiracy, and was sen- highest-not often found in unison. He Hunt is a gentleman whose practised ability. tenced to two years' imprisonment. Mrs. | means, I suppose, not granted in due proporcommercial experience and suavity of manner Stephens is also the cousin of Mrs. Marquis, tion. Hence, a want of harmony of character the wife of the Governor of the Bridewell, -a defect of quantitation," "Exactly so," will make him a most efficient and popular agent. The Government could not have made a better selection. Mr. Buteau retires partly presumed that Stephens will be compelled to Three particulars, without "crowing," were from old age, having reached his 88th year, stated in reference to that noble church—the nearly 60 of which were spent in active commercial pursuits. He has seen three generations pass away, and is still hale and hearty; were invited to enter was not in a fit state for but within the last few years he has suffered their reception. "W." omits all notice of two from opthalmia, which unfits him any longer of the facts; and the third, he has a silly comfor the active duties of the office he has vament, and asks why I did not say unintelligent? cated. Forty years ago he was a leading Irascibility, if it do not produce stupidity, does merchant and the largest property-owner in sometimes tproduce a practical equivalent, the city, and was always noted for his indesatigible enterprise and industry, qualities

THE NEW ST. PATRICK'S HALL .- We copy the which, like Dogberry's reading and writing following from the Irish Express :- This enterprise, so creditable to the Irish citizens of Montreal, is, we are informed, steadily prominds me of the "Quaker guns" made out of The cattle here, its reported, have not yet pine logs. They had an orthodox, look at gressing. Upwards of \$60,000 were promptly subscribed when the work was first proposed of which more than \$10,000 have been paid in in answer to the first call. As architects are allowed to the 16th of April to furnish designs for the building, it is not expected that ground ting a slight but positively loathsome odor, nature, and such an inability to estimate aright will be broken before the middle of the month when held to the nose, and likely to cause the relative importance of the essential doct. of May. The valuable lot upon which St. Patrick's Hall is to be erected, is bounded in becomes quite difficult to suppress the clamour front by Victoria Square, on one side by Craig street, and on the other by Fortification Lane rion for soundness, varying with different ties. Were it not for the surface-seriousness It has a frontage on the Square of 140 feet; in depth it is 100 feet. It is allowed that no architecture is left to the taste of the designer, the objects and nationality of the founders butter (of which it yields very little,) in which was made, and that not in any excellent temper, being, of course, kept in view. The sum of money to be expended is likely to exceed \$60,000; and the building will admit of a number of first-class shops on the ground-floor. That "W's" "reputation for sanity" may from which it is expected a reasonable interest will be derived on the capital invested .-Apartments for the use of the various national and charitable societies, of which the Irish ments of faith and love, but of one also, who Catholic community is formed, as also for a library, reading and billiard rooms, will be such a consummation can be effected, is the supplied by the upper flats. The grand entrance will be from Victoria Square
