OTTAWA, APRIL 10, 1866.

FOR INTERESTING READING MATTER-SEE FIRST and FOURTH Pages.

A private telegraphic despatch from New Brunswick, received late last evening, brings us the following important information:

FREDERICKTON, April 9th. A New Brunswick telegram says: The reply of the Governor to the address of the Legisis great popular excitement, and much indig- Son's, Ottawa. tended with the most serious consequences. A. A. Proctor-"As for me, I will call upon God."

present course to accomplish Confederation. The tone of the New York press has for for some time past partaken so much of jest and earnest, in what it has been pleased to designate the "Canadian scare," that any and unbiassed, and is, therefore, a reliable comone ignorant of current events would read their diatribes with doubt or misconception. guarantee of the style of publication. In regard to Fenianism, the invasion of Canada, or any military aggression upon the soi of Ireland by a Fenian army, we have never been believers; and we have scrupulously avoided leading the public opinion to such a conclusion. In catering the news of the day we have perforce, had to record the ground less fabrications contained in the telegraphi despatches sent over the American lines from unprincipled and unfriendly motives. But while we contemn the Fenian movement with the uttremost disdain, as a serious combination possessing power to inflict a great and permanent mischief upon the British Empire, we cannot ignore the formidable organization which has undoubtedly power to inflict unarmed and peaceful peosudden and grievous injury. warlike movements of yesterday contradicted to-day by the same prints; nor is it sufficient that the armed flotilla, which is reported on Monday to have sailed for Bermuda, has, on the Tuesday, no existence; neither are the thousand and one canards, which the press of our neighbors incontinently pour forth, even when known as such, sufficient to give us a confident assurance of entire security. The examining. Fenian leaders, we take it, are in a dilemma. There are two Richmonds in the field, -besides a Richard, and the struggle is upon is held in Union Square is supported, are "Paris Landau." Legislative Council, in reference to Confederation, was presented to the Governor on Saturday. His Excellency replied :- I will immediately transmit the address to the Secretary for the Colonies, in order that it may be laid at the foot of the throne. Her Majesty has in a closer union of the British North American Dominions, and will, no doubt, graciously appreciate this decided expression of your inion. I rejoice to believe that the avowal of your desire, that all British North American Provinces should unite in one community under one strong and efficient government, cannot but tend to hasten the accomplishment of this great measure. It is thought that in consequence of this eply, the government will tender their resig-

nation immediately.

COMMERCIAL The Leather Trade.

There has been a fair business in most kinds of eather during the week, and as receipts are light, stocks are becoming somewhat reduced, and with any particular increase in the demand, the markets would be left quite bare. Spanish Sole-Sales have been limited, and receipts likewise have been moderate. An increased

after the opening of mavigation, and prices will probably be well maintained. Slaughter Sole-Is quite firm at our quetations, the supply being quite small, and arrivals light. Harness-Is in small request, and rather weak.

demand, chiefly from the lower ports, is looked for

Waxed Upper-The sales for the week have been unimportant. The stock is not heavy, and accounts from the Western Province do not lead us to expect much augmentation of the supply. Grained Upper-Is in little demand, and we hear of no sales having taken place. Buff and Pebbled-Have been in fair request,

the somewhat increased supply of inferior makes. Patent and Enamelled-Have been in brisk demand. No difficulty has been experienced in placing at full prices all that has been offered, which is Calf Skins-Prime is scarce. Some small lots ordinary have been received.

duced, Russetts selling freely. Colored Linings, especially pinks, are scarce and wanted. Hides-The receipts during the week have been are unchanged .- Trade Review.

Horsk Menternes.-It is gratifying to know that there is at least one which has stood the test and than all others. It is " Darley's Arabian Heavy Remedy and Condition Medicine," We advise all who require anything of the kind to give it a trialwe know they will be satisfied with the result.

Remember the name, and see that the signature of Hurd & Co. is on each pfickage. Northrop & Lyman, Newcastle, C. W., proprie tors for the Canadas. Sold by all medicine dealers, April 2, 1866. Who is Mrs. Winslow? As this question is frequently asked, we will sim

ply say that she is a lady who, for upwards of thirty years, has untiringly devoted her time and talents as a Female Physician and nurse, principally among children. She has especially studied if as a result of this effort, and practical knowledge obtained in a lifetime spent as nurse and physician teething. It operates like magic-giving rest and health, and is, moreover, sure to regulate the boxels. In consequence of this article, Mrs. Winslow is becoming world-renowned as a benefactor of her race; children certainly do asse or and bless her especially is this the case in this city. Vast quar tities of the Soothing Syrup are daily sold and used her name by this invaluable article, and we sin erely believe that thousands of children have been saved from an early grave by its timely use, and charged her duty to her suffering little one, in our opinion, until she has given it the benefit of Mrs. Winslow's Soothing Syrup. Try it mothers-TRY IT Now .- Ladies' Visitor, New York City.
