OTTAWA, APRIL 23 1866.

FOR INTERESTING READING MATTER-SEE FIRST and FOURTH Pages.

Saturday's Gazette announces that the meeting of Parliament is further prorogued to Saturday, the second day of June next. The despatch of business." A further notification will therefore be necessary before the Legislature will actually meet.

The New York Times, the organ of the Washington government has the following notification to all whom it may concern. The advice is wholesome, and some worthies with in the Province of Canada, as well as out o it, will do well to govern themselves accord-

"If there be any engaged seriously (which is more than doubtful) in this so called invasien, they do well to remember two things first, that if they are caught violating the neutrality laws, or any other laws, on American territory, they will be promptly punished; and next, that if they are caught in any plundering enterprise over the line, they will be summarily hung under the British military law.

"In any case they will find it much more than in a neighborhood where they come under the cognizance of United States Marshals, and may get into the hands of the British hang man. An abat ment of the naisance will save in the presence of impartial juries, and the operation. trouble to all concerned. Every honest man of intelligence among us is tired of it-none nore so than the large body of noble-hearted adustrious Irishmen and women, who think more of Ireland and do more for Ireland than all the Fenian rapscallions from Cork to Chicago would, or could do in the next thousand years."

COURT OF ASSIZE. Before the Hon. Mr. Justice Wilson. Saturday, April 21st.

The only case disposed of on Saturday was O'Meara & Co. vs. D. D. Young & Co. This action was brought against the defendants, Young & Co., to recover an account for goods furnished a Mr. Moffatt, as agent for the fefendants. The defence urged was that Moffatt was not the agent of Messrs, Young & Co. communication established between Canada that he had only been entrusted with looking after their interests in getting out a quantity of timber on the DeMoine River, for which he was paid a salary. He had also received inday last at the Kemptville station of the Otta- structions to provide all the necessary proviwa and Prescott Railway. A young man by sions required in the shanties, but, at the same time, he was to keep the expenses within the sum of \$2,000 per annum, for which he was to iraw upon the defendants, thus avoiding the necessity of obtaining goods on credit. Mofnereasing its weight or bulk; and the gas so tact with the platform, breaking it above the fatt had not, it appears, followed the letter of instructions, and the action was brought to see whether Young & Co. were not responsible for debts contracted in their name by him. The evidence in the case occupied nearly the whole day, Moffatt being kept in the witness box for nearly six hours. Hon. J. S. MacDonald and

> Mr. Lewis for the plaintiffs. Hermann, the pretended Prestidigitateu whose performances were announced to take place in Quebec some two weeks ago, has left for parts unknown, without settling bills.

Mr. R. Lyon appeared for the defendants, and
