Perry Davis' Vegetable Pain Killer. THE UNIVERSAL REMEDY FOR INTERNAL AND EXTERNAL COMPLAINTS! At this period there are but few of the human race unacquainted with the merits of the Pain Killer; but

while some extol it as a liniment, they know but little of its power in easing pain when taken internally, while others use it internally with great success, but are equally ignorant of its healing virtues when applied externally. We therefore wish to say to all that it is equally successful whether used internally or externally, and it stands alone, unrivalled by all the great catalogue of Family Medicines, and its sale is unrivalled and immense. The demand for it from India and other foreign countrie is equal to the demand at home, and it has become known in these far off places by its merits. 119-a

WORTHLESS IMITATIONS.

Who is Mrs. Winslow? As this question is frequently asked, we will simply say that she is a lady who, for upwards of thiryears, has untiringly devoted her time and talents as a Female Physician and nurse, principally among children. She has especially studied the onstitution and wants of this numerous class, and, as a result of this effort, and practical knowledge, obtained in a lifetime spent as nurse and physician, she has compounded a Soothing Syrup, for children teething. It operates like magic—giving rest and health, and is, moreover, sure to regulate the bowis becoming world-renowned as a benefactor of her race; children certainly do RISE UP and bless her; especially is this the case in this city. Vast quantities of the Soothing Syrup are daily sold and used here. We think Mrs. Winslow has immortalized Something her name by this invaluable article, and we sincerely believe that thousands of children have been saved from an early-grave by its timely use, and that millions yet unborn will share its benefits, and unite in calling her blessec. No mother has discharged her duty to her suffering little one, in pinion, until she has given it the benefit of Mrs. Winslow's Soothing Syrup. Try it mothers—TRY IT NOW.—Lattles' Visitor, New York City.
