Judging from the activity and zeal of the respective champions, we infer that the contest for the County Town of Lincoln, waxes somewhat warm. Mr Rolland Macdonald of St. the two brought the farmer a thousand new of active service. Nearly two months clapsed doubts which have weighed so heavily upon Catherines leads the assault upon the Niagarians with all the vigor of an undaunted farmer "go and do likewise." chief, while Mr. Angus Morrison safely ensconced behind-that stiffest of all legal defenses, possession, renders every evolution of his experienced antagonist perfectly innocuous.In fact Angus has got the best position and knows how to keep it. Neither of these gentlemen, however, means to let his opponent go to sleep, both are indefatigable; but we incline to bet our money upon Angus.

Amonget the agricultural productions likely to be affected by the termination of the Reciprocity treaty, there is no article at which the American tariff strikes a more deadly blow than wool. The remunerative, prices which this commodity has brought the grower for the last four or five years has induced Canadian farmers to increase their flocks, and although as a general thing these, are yet comparatively small a very largely enhanced growth of wool has been the result. Our wool-growers have, moreover, besides quality of their wool. Comparatively with solved to declare a dividend of fifteen per the product has been respectable, and the during the summer. rather to the worsted trade than for fine yarns, and it is for this purpose that our neighbors require it. The American growers have the fineness of the staple and the high price Saxony and Merino fleeces will bring either in the American or foreign markets. The Leicester and other fong staple breeds are al- being able to use it. most discarded by the farmers in the States, while they or their crosses are almost exclusively the breeds to be found in Canada. The following figures will show the value To the Editor of the Times : of the foreign trade of Canada in this article, with the progressive increase during the last

providing you do the same when I want to go to the 22nd February, report very little doing on account of the celebration of the Chinese New Year, which had almost exclusively occupied attention for a fortnight previous. The exports from all China to latest dates from January 1st, were :-To Great Britain. To United States. ..4,680,000...

13,880,000 The imports of tea at Montreal for 1866, up April 28th, were 935,939 lbs; against 601,616 lbs, for SUGAR-There is a fair, steady demand for Cuba

while some extol it as a liniment, they know but litfor fair to good, and of Porto Rico at \$94 to 93. Retle of its power in easing pain when taken internally, iners, since our last, have reduced their quotations while others use it internally with great success, but "The Spanish Ambassador at Paris" says the | ic on all grades. The imports of sugar at this port are equally ignorant of its healing virtues when applied externally. We therefore wish to say to ing to 1,278,371 lbs, and from 1st January to 5,884,- | all that it is equally successful whether used inter-753 lbs, against 4,065,258 lbs, for corresponding period of 1865 .- Trade Review. by all the great catalogue of Family Medicines.

The Leather Trade.

A fair amount of business has been done during the week that has elapsed since our last report, bu it has not been equal to that of the week previous. Prices generally have remained unaltered, and stocks have not accumulated to any extent. SPANISH SOLE-There has been only a limited local demand, but some small sales have been made for the lower ports, for the most part of overweights.

SLAUGHTER SOLE-Is inactive, and slightly lower. The supply, however, is small, as well as the expected receipts, and we do not look for any further immediate decline. HARNESS-Is steady at quotations, with a demand for only small lots, and but a small stock on

WAXED UPPER-Prices are firm in cons of Hurd & Co. is on each package. qence of unusually light receipts, but there have been no sales to note of any extent GRAINED UPPER exhibits less activity, but for

first class stock there is still ready sale at quoted BUFF AND PEBBLED-Shipments from Quebe since the opening of navigation have increased the stock; but prime buff continues scarce. Pebbled, of ordinary qualities, is in better supply, with prices that remedy is, experience answers, Bristol's Su-gar—coated Pills. Cathartics are plenty, but nine-tenths of them give only temporary relief, and pay as soon as possible.

Those indebted to the undersignature of the pay as soon as possible.

J. J. still continuing. CALFSKINS-There is very little doing, the de-

mand being light, and the supply small. SPLITS-There has been a good enquiry, and which resulted in her arrest near Jackson,
Tennessee, where she had taken up with a
negro, living with him as his wife. When negro, living with him as his wife. When prices.

States. The duties on wool are changed according to grade or quality, judged by its cost of grade or quality, judged by its co stocks .- Trade Review.
